

EVERY DAY IS EARTH DAY AT TI KAYE

We the 'Ti Kaye family' consider the environment and ecosystem one of the most important responsibilities on our beautiful island of Saint Lucia. We undertake many efforts behind the scenes to do our bit to reduce our impact on the planet. Should you wish to help us in our endeavors you can by following the suggestions below:

REMEMBER

- Say 'no' to plastic and Styrofoam plates, bowls, cups and cutlery
- Say 'no' to plastic bags
- Please ask to borrow our reusable bags from Reception if you go shopping
- Drink our water (straight from any tap) and say 'no' to plastic water bottles
- Allow us to refill your reusable water bottle
- Switch off lights, fans and AC when not needed
- Conserve water when showering or rinsing feet
- Please separate recyclable items from actual rubbish in your rooms so we can sort and recycle
- When swimming in the ocean near coral please take care not to touch or damage the coral

Be the change you wish to see in this world!
